

A serene winter night scene. A large, bright full moon hangs in the upper left corner of a dark blue sky filled with numerous small, twinkling stars. White snowflakes of various sizes are scattered throughout the scene, appearing to fall. In the foreground and middle ground, several evergreen trees are covered in a thick layer of white snow. The background shows soft, rolling hills under the moonlight. A faint, stylized logo of a fisher's head is visible in the upper center of the sky.
