The NFL Draft

Dawson Willits Grade 12

The 2022 NFL Draft concluded recently, and it was a very interesting draft to say the least. Malik Willis, a QB out of Liberty University, was projected round one pick seven. Willis ended up falling to the third round and wasn't even the first QB taken as that was Kenny Pickett. The Minnesota Vikings traded to a division rival twice, once to the Lions and once to the Packers. They traded two more times during the draft as well once to the Raiders and again to the Colts. Most of the talent in this draft came on the line with #1 Travon Walker DE, #2 Aidan Hutchinson DE. #3 Derek Stingley Jr. LSU. CB. #4 Ahmad Gardner Cincinnati. CB. #5 Kayvon Thibodeaux Oregon. DE. #6 Ikem Ekwonu NC State. OT. #7 Evan Neal Alabama. OT. #8 Drake London USC. WR. In the first 10 picks of the draft there were five offensive and defensive linemen drafted.

Graduation

Amelia Aguilar grade 11

Graduation is a celebration of you accomplishing high school and receiving a diploma. The graduation ceremony can be very emotional because it marks the end of your high school journey and the start of adulthood. This can be very nerve racking for a lot of seniors. A lot of people feel as though they might not be prepared for what comes with adulthood. We wish our seniors good luck with growing up and we will miss all of you.

Dolphins

Evelyn Drengson Grade 10

Dolphins are found pretty much worldwide, mostly in shallow seas of the continental shelves. They are remarkable creatures that have developed a form of sonar and echolocation to hunt and prey because they are carnivores, mostly eating fish and squid. Dolphin colors vary, but they are generally gray in color with darker backs than the rest of their bodies. Dolphins are being seen more frequently in colder waters. Dolphins are highly intelligent marine mammals that live in water but breathe through a blowhole on the top of their head. Dolphins are usually very social animals that travel in packs and are very smart and cunning.

The Senior Trip

Michael Egeland Grade 10

The 12th grade class went on their senior trip on May 2nd, 2022. They went to the Black Hills in South Dakota. They went to visit Mount Rushmore, which is a mountain with four US presidents carved in it. The presidents are George Washington, Thomas Jefferson, Theodore Roosevelt, and Abraham Lincoln. They also went to the Crazy Horse Museum and Monument. The Crazy Horse Monument is in progress and so far is just a hand and a head. The seniors also went to Deadwood, the mammoth fossil site, the wind caves, the Adams haunted house, and the presidential wax museum. The bus ride was very long and boring, until they got to South Dakota. They also traveled through Custer State Park. The 12th grade class came back on May 6th, 2022.
