The end of the third quarter is today, Friday, March 24, 2023. After that, we will only have nine weeks left of school!! Get ready for warmer weather as we headed into the first day of spring this past Monday. (It sure did not feel like Spring). Yet before we know it, Summer! Work hard to get missing work in and keep your grades up. Especially now that track, baseball, and softball have started for the spring. We are so close to the end of the year, just one more quarter!

Minnesota's For Real, Fake Spring

Kasen grade 11

The Spring Equinox this year fell on Monday, March 20. The Spring Equinox signifies equal amounts of daylight hours to nighttime hours. The Spring Equinox (SE) usually means warmer temperatures and muddier conditions. However, if you looked outside, you would notice that it's not getting warmer, and there is more snow on the way. After the 2nd fake Spring this Winter, when this "Spring" is for real, it'll hopefully stay until summer.
